Managing Value-Based Organizations: It's Not What You Think (New Horizons in Management)

Bruce Hoag, Cary L. Cooper

"Managing Value-Based Organizations" argues that those who fail to understand management history are destined to repeat it. Research has shown that despite the prodigious output of management books, managers still have little idea why there is so much change in the world of work or what they can do about it. Most, it seems, are still waiting for the dust to settle, expecting instead that in the near future they will be able to go back to doing things the way they have always done them.
