**Mas pendejadas celebres en la historia de Mexico (Spanish Edition)** Antonio Garci

Un libro historicamente divertido para curar la resaca de los festejos del Bicentenario. Despues del Bicentenario, solo nos queda la resaca de la realidad nacional. Y nada como el humor para curar los efectos colaterales que politicos, lideres sindicales y gobernantes provocan con sus ?errores involuntarios?. Por esa razon (y dado que era imposible ponerlos ?todos? en un solo libro), Antonio Garci continua con su recorrido historico, e historico, para demostrar por que ahora, mas que nunca, cobra vigor el adagio popular ?Como Mexico, no hay dos!?. En este libro no hay buenos ni malos, heroes o villanos; solo hay pendejos, con lo cual descubrimos que los grandes personajes de la historia eran exactamente como nosotros.
