The Path: Walking Through The Wilderness Michael Saunders

To grow in Christ, there will be times when He calls you into the wilderness. It is in the wilderness that you grow. There is a path that He has laid before you, and will guide your every step. He has done His work, all that is left is for us to say yes, and begin walking. When a person is drawn out into the wilderness by God, most church folk will whisper among themselves that the seeker has backslid, or has gone "over the edge". They do not and cannot understand. And that is understandable, because it is a spiritual journey that the seeker is on, and the ones who whisper are looking at the situation with the flesh (mind). They can never understand the seeker until they become one themselves.
