The recent implementation of Common Core Standards across the nation has offered new challenges to teachers, parents, and students. *The Common Core Success* series gives educators, parents, and children a clear-cut way to meet—and exceed—those grade-level goals.

Unlike other dry, text-heavy guides on the market, our workbooks offer fun, four-color illustrations and artwork that pull children in and make learning fun. Our Grade 3 Math workbook is specifically designed to mirror the way teachers actually teach in the classroom. It includes:

- “Ace it Time!”: checklists that guide students through the problem solving process
- Units divided into thematic lessons and designed for self-guided study
- “Stop and Think” sections throughout, consisting of “Review,” “Understand,” and “Discover”

Students will find a wealth of practical information—presented in a colorful, engaging way—that will help them master the Common Core.
