**They share a precious gift. . . .**

Joining Rachel Jackson's church youth group has been a lifesaver for Camille, Alexis, Jasmine, and Angel. The fabulous four share everything from juicy gossip to mentoring school kids. But their loyalty is put to the test when two of the girls get caught up in problems of their own -- and may drag their girlfriends down with them.

**Will they forget who their friends are?**

Wealthy Alexis seems to have the perfect life -- but no one can see her fear as her parents head for divorce. Meanwhile, Jasmine is tired of being the glue that holds her mother and siblings together, and she escapes by moving in with her father. Both girls are tempted to do something drastic to get the attention they crave, and both need to hear Rachel's hard-won advice on why stealing will only get them more trouble. But when it comes to winning back Camille and Angel's trust, Alexis and Jasmine will have to find the answers in their own hearts.
