## **What are DoodleLoops?**

DoodleLoops are unique and exciting learning tools designed to teach and strengthen reading and language arts skills and promote creativity. Your children will be inspired to learn and explore through this engaging and dynamic approach to education. We call it *Ignition for Cognition*. By combining creativity, drawing and expressive language skills, learning becomes exciting, fun and meaningful!

DoodleLoops Feelings and Emotions gives your children the opportunity to get in touch with their feelings and express them through their pictures and writing. Children infer what is happening from the partial picture on each page (dealing with an emotion or feeling), complete the picture and write about it. DoodleLoops Feelings and Emotions can be used with children from Pre-K through the sixth grade level.

Give your children their own DoodleLoops pages, and you'll empower them with the *Joy of Learning to Create and Creating to Learn*. You'll be thrilled with the results!
