A single father and a diligent worker, Nasakazu Noda thinks he's settled into a permanent routine, punching the clock and caring for his young son Mamoru. But can this straight arrow really be as straight as he seems? It takes the all the wiles of a studly young daycare worker, along with some strategically-placed strawberries, to uncover the passionate heart beating under "Noda San's" buttoned-down exterior.

And that's not the only time true love, along with adolescent hormones, conquers all in Ochi's second charming compilation. These boys are getting busy-in bedrooms, dorm rooms, and homeroom!

Volume 2 of Honey Senior, Darling Junior is a romantic yet risqué look at the shifting terrain of boy's love.
