More Things in Heaven and Earth

Kurt Brown

More Things in Heaven and Earth Kurt Brown

Kurt Brown muses acerbically on nostalgia for a prior pop culture, as well as on the new fixations of aging Americans: gods have names like Metamucil, Zantac, / Rogaine, Viagra, and Perhaps it's our irrepressible American spirit, / the soul of P.T. Barnum invading our chests: heart attacks as huge as the Rockies or the heads / at Mount Rushmore. This book is also gently infused with outlandish parables: Is it the ocean / or the little puddle of his tears? / Is this his dinghy / or the frayed boards of his ego, scoured by storm?
