Can you find true love without a non-disclosure agreement after your picture is on the cover of Rolling Stone? Two musicians meet by accident in Seattle. Jason, the infamous singer-songwriter, is a victim of falsehoods spread on the Internet. Susi, a classical musician whose previous career came off the rails, is building a new life as a music teacher. Their professional yearnings quickly become entwined in unexpected ways. Jason wants Susi to sing the haunting songs he's written for her, if he can get his ex-wife out of his recording contracts. Susi doesn't want to sing in public, and complains that Jason disturbs her hard-won serenity. Each tries to hide deep secrets from the other. However, in love—and on the Internet—who really has secrets? Passion, mistaken identities, and a menacing stalker twist a love-at-first-sight story into a roller-coaster ride through the backstreets of Seattle, where tourists never go. Where both karma and sunshine can be so unpredictable in April. *Nine Volt Heart* is a light-suspense romantic comedy. It contains explicit sex scenes and the undeleted expletives you'd expect at rock recording sessions in Seattle. Annie Pearson's Rain City Comedy of Manners series explores misadventures in contemporary Seattle among people whose work drives their hearts' desires, often in conflict with possible love affairs. When odd things happen to quirky people, can they survive the wretched comedy of romance under grey skies? Rain City Comedy of Manners Series: #1 *The Grrrl of Limberlost* (Sam and Matt: a cyber-thriller on Puget Sound) #2 *Artemis in the Desert* (Eliot and Sean: a Jane Austen adventure on two wheels) #3 *Nine Volt Heart* (Jason and Susi: a musical ride through Seattle's backstreets) Each book can be read as a standalone story, with no cliffhangers. Later books do not reveal the stories of earlier books. Each is a He Said/She Said story, recommended for readers 18+. Reviewers say: "Get some sleep aids before you start reading *Nine Volt Heart*, Annie Pearson's rock music romance AND thriller. You'll find yourself rooting for a pair of unlikely lovers who must navigate Seattle's tangled indie music scene to stay together. Then there's the anonymous cyber-stalker who becomes oh too real. Pearson masterfully mixes suspense and love into a riveting read." — Emily Warn, *Shadow Architect*
