I only work part time hours, and am able to do this while maintaining a full time job. In this book you will be exposed to the very business model I follow - one that eliminates most of the risk other online sellers face, and creates a system where Amazon does most of the work for you.

I refer to this business model as "**Retail Flipping**" - which is ultimately the process of buying extremely discounted products from your local brick and mortar stores and reselling for high profits on Amazon.
