The Apocalypse Has Begun: A View of the Restoration of the World for the Second Coming of Christ

Louis A. Kelsch

The last days of the apocalypse are already upon us, but most people don't know it. Author Louis A. Kelsch, a member of the Church of Jesus Christ of Latter-Day Saints, reveals that the last days are already here and will not be deterred. He explores how God intends to teach us what obedience means and how chosen individuals will drive future events. Christ will reign on Earth, and life will be restored to a true utopia. He also considers the ways in which the Church of Jesus Christ of Latter-Day Saints looks exactly like the church that Christ once organized. Founded on the principle of revelation from God, it is a truly an original American church. There are trying times ahead for the Latter-Day Saints, and if you're already a member of the church, your faith will be tested. But it will not be more than you can bear, and there will also be times of unspeakable joy. No matter what your faith, there's not much time left to start living a life that will free you from sin. Discover how to find the path to salvation with The Apocalypse Has Begun.
