THE INTERLINEAR BIBLE Hebrew-Greek-English with Strong's Concordance numbers above each word

This is the only complete interlinear Bible available in English and is also on one convenient volume. This interlinear is keyed to Strong's Exhaustive Concordance. Interlinears are a time-saving tool for you to research the subtle nuances and layers of meaning within the original biblical languages and this one features the complete Hebrew and Greek texts with a direct English rendering below each word, and it also includes The Literal Translation of the Bible in the outside column. Strong's numbers are printed directly above the Hebrew and Greek words which enables you to easily access a wealth of language reference works that are also keyed to Strong's such as Greek/Hebrew dictionaries, analytical lexicons, concordances, word studies, and more even if you do not know Greek and Hebrew. The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface, and are essentially the same (with some minor variations) to the Hebrew and Greek texts used by the KJV translators.
