**The Prophetic 12,594-Year Benu Cycle: Encoding the Consciousness of Higher Peace through the Divine Union of Masculine and Feminine Energy Book 3: ... Re-Awakening of Naga Consciousness (Volume 3)** High Priest Kwatamani

In this text, the High Priest Kwatamani will reveal his penetrating historical insight to bring forward a spiritual analysis of Western culture, the Self-asserted “global superpower.” This spiritual analysis traces the mental framework of Western thought, reasoning, and actions as it emerged out of the Babylon system into Greece and later Rome. This text, Book Three in the Benu Series, expands upon the historic tracking and tracing that was forwarded in Book One of this trilogy, *The Prophetic 12,594-Year Benu Cycle: Encoding the Consciousness of Higher Peace through the Divine Union of Masculine and Feminine Energy*. However, the focus within this text deals specifically with the Western-culture mindset that produced the “white”-supremacy ideology. Additionally, the High Priest Kwatamani offers a profound exposure of the mental consciousness that produces the “I-Me-My-Mine” syndromes of monotheism, monarchy, monopoly, and monogamy.

He and his magnificent priestess research assistant will forward in-depth and well-researched documentation to pinpoint direct correlations between historical patterns and the current events of modern times. Within this clear view of spiritual conflict and inner crisis, the High Priest Kwatamani identifies toxic relationship patterns that will lead to the ultimate demise of spirit-conscious energy within Man, He and She. Such a demise could only manifest human clones and worker-drone-like beings who exist as slaves to a deified Self on the path to oblivious nothingness.

In the final analysis, the High Priest Kwatamani invites Man, He and She, to take the challenge of resurrecting the divine union of masculine and feminine energy. He makes it very clear that spirit-conscious resurrection goes far beyond the boundaries of sex, race, creed, color, religion, or national origin. Far beyond the insane notion that the color of one’s skin in and of itself determines superiority or inferiority. In fact, the High Priest Kwatamani does provide a profound spiritual view of the Self as we have come to know it within a personal identity.

The echoes of High Priest Kwatamani come through very clearly in this text: “Consume the energies of the sacred ancestral Ausarian spirit of Naga consciousness, and set your spirit free”...or at least be informed about the options of whole life energy.
