About Raptors: A Guide for Children Cathryn Sill

In this latest book in the acclaimed About ... series, educator and author Cathryn Sill uses simple, easy-to-understand language to teach children what the birds called raptors are, how they look, how they move, what they eat, and where they live. Illustrator John Sill introduces readers to many varieties of raptors, from the majestic Bald Eagle of North America to the sharp-eyed Secretary Bird of Africa. An afterword provides details on the raptors featured and inspires young readers to learn more about these birds of prey.
