Arthur C. Danto

**After the End of Art: Contemporary Art and the Pale of History (Princeton Classics)** Arthur C. Danto

Originally delivered as the prestigious Mellon Lectures on the Fine Arts in 1995, *After the End of Art* remains a classic of art criticism and philosophy, and continues to generate heated debate for contending that art ended in the 1960s. Arthur Danto, one of the best-known art critics of his time, presents radical insights into art's irrevocable deviation from its previous course and the decline of traditional aesthetics. He demonstrates the necessity for a new type of criticism in the face of contemporary art's wide-open possibilities. This Princeton Classics edition includes a new foreword by philosopher Lydia Goehr.

**Erika Yoon:**

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's internal or real their pastime. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this After the End of Art: Contemporary Art and the Pale of History (Princeton Classics) can make you truly feel more interested to read.
