Descending Into Greatness Bill Hybels, Rob Wilkins

In a society where "upward mobility" is the highest goal, Bill Hybels asks a tough question: Do Christians place God's desires first-or their own? In *Descending into Greatness*, Hybels and writer Rob Wilkins take the example of Christ's downward journey as it was meant to be; the radical and essential answer for every Christian. In fourteen powerful chapters, the authors explore such topics as How Jesus managed power. The intentional decisions necessary to move down. The uplifting nature of true humility. Abundant life through dying to self. The ambush of joy. Moving down is never an easy matter that can be reduced to a formula. It involves a life committed to discipleship. *Descending into Greatness* introduces you to the touching stories of modern men and women committed to advancing the kingdom of God: from the pro football player, to the medical missionary, to a businessman wrestling with the priorities in the world of finance. *Descending into Greatness* asks tough questions and gives hopeful answers. Now, this powerful, urgent message also includes a discussion guide so that you can follow through, too. "Like Christ, we must descend-into self-abandonment, unconditional giving, sacrifice, and death to self. And, like Christ, we will then ascend-into fulfillment, blessing, joy, and purpose."
