Everything I Am Not Saying: Thoughts transformed into poetry Crissi Langwell

I am but a small grain of sand
Lying in a deep cave
Under a vast ocean
Rising and falling
By the power of the moon
Which shines brightly through the night
In a cloudless sky
Covering the earth In a mighty galaxy
Of an endless universe
Residing in the very left corner
Of your lovely heart.
- Small, by Crissi Langwell

Before Crissi Langwell wrote fiction, she needed to find a way to create prose in her storytelling. Through poetry, she found it. These verses travel through emotions of love, heartache, joy, and despair. Some of the poems are true, many were poems wished to be true. And all of them are words that led to love, brand new worlds, and stories that needed to be told.

This full-color book holds the poems that helped the ink start flowing.
