Get California Disability Benefits: A step-by-step guide for SSDI (Social Security Disability Insurance), SSI (Supplemental Security Income), State Disability Benefits and Paid Family Leave Trudi Aviles

Get California Disability Benefits is a not a sexy book, it's small but it will make a big difference in your life. Learn how to receive cash benefits from California's disability programs. The book has easy to read instructions, illustrations and samples of completed applications. It contains all the tips, techniques and question-by-question instructions to complete a winning SSDI application. Thousands of deserving disabled adults are denied cash benefits each month simply because they don't know how to complete the application. You can't afford to get denied when you submit your SSDI application. Appeals take years and the average chance of winning is less than 40%. Beat the odds. Complete your application as you read the step-by-step instructions for each question. You'll learn how to prove your case with objective medical and non-medical evidence; strategically answer questions and employ tactics that will make the difference between winning and losing your claim for benefits. Everything you need to know about CA state disability benefits is explained in easy to understand instructions. Learn how to complete and file the application for up to a year in disability benefits or maternity leave at 55% of your base wages. Use the sample application as a guideline to complete your application. Need to bond with a new child or take care of someone who's ill? California's Paid Family Leave program allows you six weeks of leave at approximately 55% of your wages. The federal program guarantees your job. A the sample application shows you how to complete an application. This is an essential tool for anyone applying for benefits in the state of California.
