**Mysterious Lights and Crop Circles** Linda Moulton Howe, Linda Moulton Howe

Linda Moulton Howe shares and analyzes her research findings surrounding accounts of crop circles, accompanied by lights and crackling sounds over the past 2 years. Linda interviews a biophysicist, a mathematician, a geologist, and other researchers to determine the authenticity of these accounts and whether these crop circles are a 3-dimensional language related to fractional math, geometrics, the Hebrew Kabala, or other symbolic mysteries, and what they could mean.
