With the dragon blood of her Viking ancestors coursing through her veins, Torra MacLomain has long tried to keep her Scottish clan safe. But a ruthless enemy has been watching...waiting. As Keir Hamilton launches his plan to possess her, many secrets come to light including her passion for a certain highlander.

When Colin MacLeod's undying love for Torra is discovered, he's given an ultimatum. Watch his lass die a brutal death or defect from his clan to lead the Hamilton armies. Four winters later and in charge of Keir's warriors, Colin battles in an ongoing war against the MacLomains. Yet now the worst has come to pass. His ill-found chieftain has finally trapped Torra.

In a castle siege unlike any other and because of time travel, the modern day Brouns and medieval MacLomains join together in a final stand-off against their merciless enemy. Battles rage. Mysteries are revealed. Freedom is found. But most importantly, a love long repressed at last rises up determined to conquer all in Plight of the Highlander.
