John Cage

Silence: Lectures and Writings, 50th Anniversary Edition John Cage

Silence, John Cage's first book and epic masterpiece, was published in October 1961. In these lectures, scores, and writings, Cage tries, as he says, to find a way of writing that comes from ideas, is not about them, but that produces them. Often these writings include mesostics and essays created by subjecting the work of other writers to chance procedures using the I Ching. Fifty years later comes a beautiful new edition with a foreword by eminent music critic Kyle Gann. A landmark book in American arts and culture, Silence has been translated into more than forty languages and has sold over half a million copies worldwide. Wesleyan University Press is proud to celebrate the fiftieth anniversary of the book's publication with this special hardcover edition.

Cecil Hardin:

In this time globalization it is important to someone to find information. The information will make anyone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You will see that now, a lot of publisher that print many kinds of book. Often the book that recommended to you personally is *Silence: Lectures and Writings, 50th Anniversary Edition* this guide consist a lot of the information of the condition of this world now. This book was represented so why is the world has grown up. The terminology styles that writer make usage of to explain it is easy to understand. The particular writer made some investigation when he makes this book. This is why this book acceptable all of you.

Wendell Radford:

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many

ways to reach Chinese's country. So , this Silence: Lectures and Writings, 50th Anniversary Edition can make you sense more interested to read.
