Spud - Exit, Pursued by a Bear

John van de Ruit

Spud - Exit, Pursued by a Bear John van de Ruit

After an unexpected and diabolical farewell breakfast conversation with his father, Spud Milton returns to boarding school for his 1993 Matric year, his last as a schoolboy. Armed with a prefect's tie and a raging libido, Spud soon discovers that being a large(ish) fish in a small pond has its fair share of challenges. He finds himself embroiled in fighting for his own room, directing a house play where both lead actors refuse to learn their lines, and assisting Vern Blackadder's dramatic return from the dead with nothing more than a drip cord and a pair of oven gloves. Amid mounting pressure in the classroom and on the cricket field, Spud prepares to face down the most feared and dreaded challenge of them all - finding a date for the Matric dance. In this hilarious final instalment of the Spud series John van de Ruit brings to a close his savagely funny blow by blow account of the agonies of growing up. The embarrassments, the thrills, the defeats, and the sheer absurdity of daily life are wittily recorded in Spud's unique voice as he prepares to make his own exit, pursued by a bear.
