## TRUE CHRISTIANITY 1: PORTABLE: THE PORTABLE NEW CENTURY EDITION (NW CENTURY EDITION) EMANUEL SWEDENBORG

*True Christianity* presents a satisfying and sensible alternative to mainstream Christianity. The last book published by Swedish scientist-turned-seer Emanuel Swedenborg, it serves as both the keystone in the architecture of his theology and the summary of his far-reaching psychological insights. This volume, the first of two, provides unique answers to humankind's perennial questions about the nature of God and about Jesus—not only what his purpose was and how he fulfilled it, but why his life and death are still relevant to us now.

The New Century Edition of the Works of Emanuel Swedenborg is a modern-language, scholarly translation of Swedenborg's theological works. The series' easy-to-read style retains the dignity, variety, clarity, and gender-inclusive language of Swedenborg's original Latin, bringing his thought to life.

This portable edition contains the full text of the New Century Edition translation, but not the introduction, annotations, or other supplemental materials found in the deluxe edition.
