Forbidden Forest (Legends of Regia) Tenaya Jayne

Born in shame. Cast from society. Shape-shifter/elf hybrid Forest must fight for any respect she can get. Targeted in her youth by a vampire noble who placed an illegal slave mark on her, she is forced to obey him no matter what. Slipping the grip of her master and abandoning the prejudice of Regia, her native world, Forest takes a job on Earth, guarding the portal, using her skills as a warrior to enforce Regia's laws. Now, called home for a black ops mission, Forest must put aside her own prejudice to transport the vampire prince, Syrus, through enemy territory in a time of war. Prince Syrus, mage and master of the Blood Kata, wants Forest more than he's ever wanted anything. In spite of their mutual mistrust, their attraction cannot be denied. Through the danger of their mission and the secrets they both keep, it doesn't matter what they feel. Forest is forbidden.
