No Enemy But Time: A Novel of the South

William C. Harris

No Enemy But Time: A Novel of the South William C. Harris

With his bestselling novel, *Delirium of the Brave*, William C. Harris, Jr. created a buzz that started in Savannah and spread across the nation. No Enemy But Time brings back beloved characters from the book in a saga that intertwines espionage, murder, Catholicism, loyalty, and ultimately, the high cost of betrayal.

Spanning from World War II to the present, the story tells of an IRA soldier-turned-Nazi spy placed on Savannah's coast during the war. Years later, he becomes a powerful force in local society and politics and a father figure to a young politician. While out diving with friends one day, the young man comes across a downed submarine. Locked deep inside its hull is the key to generations of deceit-and a secret that could destroy both men's lives.
