## **Paris: City of Art** Jean-Marie Pérouse de Montclos

*“Weighing a hefty eleven pounds, this surpassingly rich visual and intellectual feast is the luxury book bargain of the season. Pérouse de Montclos’s method of examining landmarks individually and in depth opens our eyes to treasures that even hard-core Parisians may have missed.”* —Martin Filler, *The New York Times Book Review*

Now expanded, this towering volume is more comprehensive—and compelling—than ever. Illustrated with more than 850 images, maps, plans, and chronologies, *Paris: City of Art* is an unparalleled celebration of the city’s artistic vision and energy from antiquity to the present day. *Paris: City of Art* is a guide through centuries of artistic achievement: soaring Gothic cathedrals, sumptuous and extravagant Louvre, luminous Impressionist masterpieces, and the birth of Modernism.

Featuring notable additions to the city’s skyline, such as Jean Nouvel’s Quai Branly Museum, as well as designs for major architectural progress, such as Frank Gehry’s Louis Vuitton Foundation for Creation, this expanded edition is the quintessential authoritative guide to the aesthetic past, present, and future of this incredible city.
