## The Doll's House: A 3-D Foldout Book

This deceptively slim book unfolds to become a striking three-dimensional doll's house, featuring four rooms: kitchen, living room, bedroom, and garage. Pop out elements add a level of interactivity, but children are invited to use their own toys and imagination to furnish the space and engage with it as they wish. Perfect for travel and for easy storage, this is an eye-catching book designed to fit into the modern lifestyles of design-savvy parents.

**Annu Kilpelainen** is a rising illustration star; her distinctive style and bold color palette can be seen on textiles and murals around the United Kingdom. Here, her drawings make the doll's house come alive with wild contemporary décor and brilliant colors.
