The Showings of Divine Love Julian of Norwich

The Showings of Divine Love is a book of Christian mystical devotions written by Julian of Norwich. It is believed to be the first published book in the English language to be written by a woman. At the age of thirty, 13 May 1373, Julian was struck with a serious illness. As she prayed and prepared for death, she received a series of sixteen visions on the Passion of Christ and the Virgin Mary. Saved from the brink of death, Julian of Norwich dedicated her life to solitary prayer and the contemplation of the visions she had received. She wrote a short account of her visions probably soon after the event. About twenty or thirty years after her illness, near the end of the fourteenth century, she wrote down her visions and her understanding of them. This is the Grace Warrack translation that brought this great work the recognition it deserved.
