Well I thought it was time to reveal the dark cold world beneath the sugar coated one that everyone else knows, Were all the pain and hurt comes from to show people how the enemy is the master of his trade and how he has been making the world believe for years, maybe centuries that he never existed. I wanted to show how every person in life was living in the dark and never knew what made them stumble, how relationships were destroyed because they were never meant to be. It was Satan setting up a trap from the day each man and woman were born to make them fall and never see the truth also how god had a perfect plan that would be revealed at the right time of brokenness.
