Little Black Book Of International Medicine (Jones and Bartlett's Little Black Book) William A. Alto
Each year, thousands of US physicians, nurses, and other healthcare workers volunteer or are called on to practice medicine in a foreign country. The Little Black Book of International Medicine provides comprehensive, concise and evidence-based information to setting up a medical clinic and treating patients outside the US, especially in developing countries. This pocket-sized handbook is a convenient resource offering immediate access to vital information and makes a great reference for solving pressing problems in the field.
