This book is a great resource for people who want to move beyond "everyday sewing" and are looking for more advanced skills. Even if you continue to use patterns, knowing how they're put together makes it easier to adapt a commercial pattern, too.

Included in this volume are instructions on selecting fabric and how much to buy, basic patterns, how to prepare them and how long they are likely to take to assemble. Also included are designs for jumpers, playclothes, pajamas and robes.
