Modern Classics Modern Times Selected Non Fiction (Penguin Modern Classics) Jean Paul Sartre
MODERN TIMES brings together an extraordinary collection of Sartrean gems, many of which have never been translated into English before. From writings on food and sex to a mini portrait of his great friend and rival, Albert Camus, the volume contains an amazing sweep of thematically organised writing. Amidst the grander set pieces on communism and the art of biography, are shorter and more revealing pieces on maternal love and masturbation.
