Musical Morals Communication Muse: The Lit Review: MMCM: An After School Program for Young People Ages 8-10 Patricia Charlene Souza MA

This book is a brief literature review advocating for the inclusion of and describing an after school program that uses music, games and fun activities to expose young people, ages 8-10 years old to good moral interpersonal communication skills. It is a great 12-week program that can be added to a public school program, a church program, a home-schooling program, a club or any kind of children's learning program responsible adults would think to put together.
