Rossini and His School (Classic Reprint) H. Sutherland Edwards

Excerpt from Rossini and His School

A contemporary of Cimarosa and of Paisiello, his predecessors, but not, except at the very outset of his career, his models, and of Donizetti, Bellini, and Verdi, his successors, and in an artistic sense his followers, Rossini is a central figure in the nineteenth-century history of Italian music.

Lives of Rossini have been published freely enough during the last fifty or sixty years. It but rarely happens, even to the greatest man, to have his biography written or his statue erected during his lifetime. But Rossini lived so long that it seemed impossible to wait for his death; and more than one writer seized upon him when he was still a young man.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
