**Sexual Sin: Combatting the Drifting and Cheating (Resources for Changing Lives)** Jeffrey S. Black

"Any time you see a person engage in illicit sexual behavior, you can be sure that he or she is a cheater," writes Jeffrey S. Black. "He or she wants sexual gratification without intimacy."

Likewise, Black tells us that people never leap into extreme forms of sin; they "drift" into them.

How do we end the cheating and drifting? Because sexuality is spiritual, not purely biological, the solution is to hide God's Word in our hearts. Here Black shows us how the Bible reaches to the roots of sexual sin.

There are 26 other helpful booklets in the Resources for Changing Lives series.
