Never again.....

Christofer lives by those words while Cloe would rather die by them.....

Too many years living on the run, of always being seen as nothing more than a monster and a freak, has left Christofer cold and distant. He hates his life, his fate, but he's made promises and nothing on earth will stop him from keeping them....

Except for the woman that invades his world, takes him by surprise, aggravates him, gives him hope and makes him wish that things could be different, but they can't.....

Not unless he's willing to risk everything.

Cloe doesn't need anyone, doesn't want any complications, but things quickly change when she accepts a job that destroys her world and brings her the one thing that she never thought she'd find again....

Peace.
