The Undertaker's Wife

Val Case

The Undertaker's Wife Val Case

Whoever would have thought that going to a funeral in an unfamiliar country town could be a life-changing event! Grace Miller, seventeen, convalescent from a severe bout of scarlet fever, certainly didn't. But there she meets Jack Shaw, the Beaufort undertaker's son. A friendship develops and before long two families lives will be forever changed by war, the trials of a troubled mother, and unexpected misfortune. Set during and after the Second World War in the Ballarat and Beaufort districts, author Val Case has subtly merged a wealth of historical research with well developed characters in this, her first novel.
