**Julianne Hayes:** Daniel walked into town like a blast from the past, his jaw set, his eyes hard, and his intentions on my heart. For twenty years I have pined for him, more so every year he has been away, but now that he is back, can I trust him to stay? Beneath the scorching kisses can I find a heart willing to start all over again?

**Daniel Hellas:** Only one thing made my coming back worthwhile: Julianne. Her beautiful brown face, her tender caresses, so cool it set my soul on fire. I intend making her mine, come hell or high water. The terrain seems rough, and the natives are unfriendly, but there is nothing a cowboy will not achieve under the sun when the right woman beckons, and I am prepared to take on the whole town if need be.
