Bridges Beyond will take you back to the past-a pioneer school, a young Noah Webster fascinated with words. It will take you to the animal world-the fox outwitting his enemy and the seal who wouldn't swim. It will take you to other lands-to France, to puzzle with Nanette over a strange mystery; to Spain, where a horse heard a voice; and to Holland, to wonder whether war will stop the storks' return. At each stop, you'll see God's power and learn His principles.

Fourth grade.
