Sam finally meets the girl of his dreams in person, his online girlfriend Alexia, but she unveils a dark secret – she's a living, breathing vampire and to take that a step further, she was the former queen of the damned. Torn between his love for her and the inability to believe her outlandish claims, he finds himself driven by his heart to uncover the forbidden truths behind Alexia and the shadow world she's dabbled in that has secretly controlled mankind since the dawn of our modern civilization.

So, is she insane or is this all for real? Toss her perfect features aside and maybe, it's a bit of both. Sam is about to find himself right at the beginning of a no-brakes rollercoaster that might just end up costing him his life, all because of his, aching, blood-soaked heart.

Silly humans...
