Feathers (A Witch Central Morsel) Debora Geary

Summer, baseball, water slides... and parrot feathers. Join Witch Central as they travel to Costa Rica, and perhaps a little more summer fun than they bargained for.

This is a short read, about the length of four or five chapters in my series books. Not a short story, really - more like a snapshot. The chance to share a few special moments with some of your favorite witches.

It should be read after *An Unlikely Witch*. Enjoy!
