Life has its share of challenges. That's a truth that's learned by everyone. However, it's how one responds to those challenges that determines if life is lived in a defeated manner, or with victorious freedom. Dante Worth shares an exploration of his life; peeling back the layers of mental and emotional abuse, rejection, and uncertainty. Through the looking glass of truth, he shares his journey to peace and freedom, recounting real-world situations that are his own, but shared by many silent victims. Free to Be Me is more than a story. It is a declaration of validity... a declaration of hope.... a declaration of freedom. Free to pursue individual destiny... free to love and be loved... Free to Be Me.
