Hope in a Jar Beth Harbison

Twenty years ago, Allie Denty was *the pretty one* and her best friend Olivia Pelham was *the smart one*. Throughout high school, they were inseparable...until a vicious rumor about Olivia—a rumor too close to the truth—ended their friendship.

Now, on the eve of their twentieth high school reunion, Allie, a temp worker, finds herself suddenly single, a little chubby, and feeling old. Olivia, a cool and successful magazine beauty editor in New York, realizes she's lonely, and is finally ready to face her demons.

Sometimes hope lives in the future; sometimes it comes from the past; and sometimes, when every stupid thing goes wrong, it comes from a prettily packaged jar filled with scented cream and promises.

Beth Harbison has done it again. A hilarious and touching novel about friendship, Love's Baby Soft perfume, Watermelon Lip Smackers, bad run-ins with Sun-In, and the healing power of "Gee Your Hair Smells Terrific." *Hope in a Jar*: we all need it.
