## **Jehovah's Witnesses and the Real Truth** Joseph Winters

This is most definitely required reading for present or former members of Jehovah's Witnesses (particularly Witnesses), Mormons or the Worldwide Church of God. In fact, since it's being published, it has helped many escape the clutches of the Watchtower and false Christianity.. You will be taken on a journey that will challenge your spiritual outlook, helping you to arrive at a destination you probably never imagined. You may just come to see how easily the human mind can be subdued and easily manipulated by religions of the world. This book is written for all who want to know the true God of the Bible, and not the one that many confused religions would have you believe and accept. Please prepare to have your beliefs turned around with what the Bible has to really say and not that of religions with an agenda. Men are experts at shaping our minds and persuading us what to believe; the Bible is different in its approach, as you will discover. Prepare to be shocked at the real truth of the Bible, because the real truth is totally different from anything you have been taught in 'religion'. You may not want to accept what you find, but after a while you might just see the scales falling from your eyes. Take the journey to a place you have never visited and find out what your true destination will be. Prepare to have your Bible thinking changed forever. Please also take time to read his screenplay, The Trial of Jesus, a very different take on the crucifixion and the events leading up to it.
