Learn German Faster: Learning a Foreign Language (Hypnosis & Meditation) Erick Brown

Are you ready to naturally boost your ability to learn foreign languages faster and retain information easier? Do you wish you could learn the German language faster? You have the power to learn German faster today with this hypnosis program from Erick Brown.

Learn German Faster will help you retain the German language easily, remember vocabulary and syntax, and give you the focus and motivation you need when you study language. Powerful suggestions for deep relaxation and positive change will be received by your mind, removing negative thinking and clutter, opening up pathways to the language center of your brain, and increasing your focus and concentration when you study German.

Learn German Faster includes an instructional track and three hypnosis tracks for you to choose from.

One contains a beach induction that will lull you into a deep state of relaxation with the soothing sounds of waves hitting the shore, allowing you to let go of any mental inhibitions and be completely open to positive change.

Another contains a staircase induction that will walk you down a mental stairway into a deeply relaxed state that ends with you in a peaceful, safe place where you can feel comfortable enough to completely open up to these hypnotic suggestions.

A third contains a speed induction that will quickly take you into a deeply relaxed state. Use this track if you are already familiar with the relaxation process and would like to quickly move into deep relaxation.

The last track on this album is a deep sleep bonus track, designed to deeply relax your body and mind so that you can sleep soundly through the night.

Also included on this audio book are five meditation and affirmations tracks. These motivating tracks for positive change and learning are designed to be listened to at anytime, day or night. Do not listen to them while operating a moving vehicle.

Make your learning experience easier and more effective. You can learn German faster today with the power of hypnosis.
