Book One: Forever Country

Ten years ago, Abel Kennedy was anxious and excited to leave his country upbringing behind, and find his way in the world as a professional boxer.

Abel now returns home for the holidays to his country roots after his championship fight with Bobby Grether.

During his visit home, Abel learns how little a person needs to be truly happy.

Will Abel pursue a relationship with the charming, country gal, Savannah Mae, whom he meets? Will he stay in Rose Farm, Ohio, where his ugly past threatens his future? Or will Abel leave his family and continue living a life of solitude?

Book Two: Country Life

Have you ever met someone you couldn't live without, but knew they would be better off without you?

Abel Lee has. He met Savannah Mae and he can't live without her, but he is determined to not be with her until he is deserving of her.

Have you ever made a rash decision and realized it was a mistake?

Savannah Mae has. She made a decision based on inadequate evidence that may have destroyed her chances of a happily-ever-after life with Abel Lee.

Abel Lee keeps his distance from Savannah Mae as he tries to improve his life to be the man whom she deserves. Savannah Mae realizes she made a horrible mistake and wants to be back in the arms of Abel Lee.

Is Abel Lee hiding something in his past that could potentially destroy his future? Or is he everything that Savannah Mae thinks he is? Does the killer lurking the streets of Rose Farm, Ohio strike again? If so, who will be the next victim? Did the stalker return home after revealing the shocking photo to Savannah Mae, or is he lying in wait, ready to strike again?

Book Three: Country Love

Abel Lee

When Savannah Mae opened the envelope revealing the note and the picture of my ex-girlfriend, I prayed she wouldn't leave me. All I needed was time to explain. I had to talk to her and finally tell her the truth. I just prayed it wasn't too late.

Savannah Mae

When I saw that picture of a battered and beaten woman, I had to leave. I had no idea where I was goin', but I knew I couldn't stay. There was no way I could look Abel Lee in the face. I know the man he is now, and I know he could never do this. But was he capable of doin' such violence back then?

Savannah Mae and Abel Lee have been through so much in such a short time. Can their love withstand another downfall? Will she ever be able to trust him? Why does he not just tell her the truth?

In the final book of the Rose Farm Trilogy, Country Love, all of your answers will be revealed. The long-awaited conclusion is at your fingertips. Happy reading.
