## **Conversations with the Universe: How the World Speaks to Us** Simran Singh

Conversations with The Universe: How the World Speaks to Us reveals how repetitions, coincidence and synchronicity are part of a personal conversation from the Universe, intended to provide ease and guidance. We are not alone, nor have we been creating life experiences on our own. There is a co-creative Universal Intelligence who is very much involved and continually seeking a dialogue. The problem is not so much the life challenges, but our own individual lack of communication with our co-creator.
