## **Synopsis:**

They say that a new light shines in Las Vegas for every person who visits. But unlike the countless millions who visited Sin City this year, today you decided to be part of the 'what happens' that 'stays'.

After exploring the lights, you find a job as a salesperson at a kiosk on the Strip. It's your first night and Daniela is your trainer. She seems friendly providing you with the secrets on living and working in Sin City, but she possesses a quality that you can't place. After quickly learning the job, Daniela gives you a special book containing eleven stories of love, mystery, and suspense--this book.

As you read these stories, you begin to realize this book, Daniela, and the lights of Las Vegas are not what you imagined!

Will your Vegas light shine Blood Red?
