The Superior Geochemistry subliminal CD is designed to super charge your brain to learn geochemistry faster and easier than ever imagined. It will help you learn and master geochemistry so that you retain the material longer, understand it better, and enjoy it much more than you normally would. This session can help you pass geochemistry exams easier and with higher scores. All you have to do is continue the same geochemistry classes or text that you're studying now and listen to this CD to accelerate your learning ability. This CD contains 6 ten minute subliminal sessions to choose from. Each session contains the same subliminal suggestions carefully crafted by hypnotist Alex Armani, CHT. You get to choose which track(s) to listen to! Successful people across the world are using subliminal programming to help them correct bad habits, improve their health, or acquire new skills faster. Subliminal programming means you will hear NO AUDIBLE VOICE because it has been masked in order to bypass your conscious filters. This gives the suggestions the ability to directly impact your subconscious mind for maximum effectiveness. Through repeated use of this CD, you will notice that you have a knack for geochemistry and that it comes easier to you. Using this CD for a long period of time will increase your desire and ability for all things related to geochemistry success. This will accelerate your learning. It does not actually teach geochemistry because it primes your brain for rapid learning only. These sessions were designed for use at any point in your day or night. You can listen intently or play it in the background. This CD only features 6 subliminal audio tracks to choose from including ocean waves, rain, thunder storm, bird song, whale song, and hypnotic music.
