A man's image is one of his most alluring characteristics. In *Restoring the Male Image: A Look From the Inside Out*, Ellis aims to restore the pride of men looking back to the Harlem Renaissance Era when men dressed with a sense of purpose and dignity. A man's image is defined by the blend of character, style, and sophistication. It is his heart, his purpose and God-given authority that most accurately reflects his true self. Ellis introduces the reader to a powerful acronym by exploring a series of qualities to help men identify and understand their IMAGE: I=Integrity; M=Manhood; A=Authority; G=Generosity; E= Excellence. This book will provoke men to take a deeper look both inside and out and determine whether what they convey is a reflection of their authentic self. *Restoring the Male Image* will challenge men to arise and confidently dress for their appointment with destiny! Alexis Ellis is driven to impact image in our society. Ellis holds a Masters in Theology, with a concentration in Urban Ministry from New Brunswick Theological Seminary as well as a M.S.
